

# ASTRUNAUT SIMPLE PLAN

lam FA  
Can anybody hear me?  
DO SOL  
Am I talking to myself?  
lam FA  
My mind is running empty  
DO SOL  
In the search for someone else  
lam FA  
Who doesn't look right through me.  
DO SOL  
It's all just static in my head  
FA / SOL /  
Can anybody tell me why I'm lonely like a satellite?

## [Chorus]

lam FA  
*Cause tonight I'm feeling like an astronaut*  
rem SOL  
*Sending SOS from this tiny box*  
lam FA  
*And I lost all signal when I lifted up*  
rem SOL  
*Now I'm stuck out here and the world forgot*  
lam FA rem SOL  
*Can I please come down,*  
lam FA rem SOL  
*cause I'm tired of drifting round and round (round)*  
lam SOL FA /  
*Can I please come down?*

## [Verse 2]

lam FA  
I'm deafened by the silence  
DO SOL  
Is it something that I've done?  
lam FA  
I know that there are millions  
DO SOL lam FA  
I can't be the only one who's so disconnected  
DO SOL  
It's so different in my head.  
FA / SOL /  
Can anybody tell me why I'm lonely like a satellite?

## [Chorus]

lam FA  
*Cause tonight I'm feeling like an astronaut...*

## [Bridge]

rem / FA /  
Now I lie awake and scream in a zero gravity  
rem / FA /  
And it's starting to weigh down on me.

rem /  
Let's abort this mission now  
lam SOL FA /  
Can I please come down?

\*[[for this part, strum chord once & let it ring]]

DO FA  
So tonight I'm calling all astronauts  
rem SOL  
Calling lonely people that the world forgot  
DO FA  
If you hear my voice come pick me up  
rem  
Are you out there?  
SOL  
Cause you're all I've got!

## [Chorus]

lam FA  
*Cause tonight I'm feeling like an astronaut*  
rem SOL  
*Sending SOS from this tiny box*  
lam FA  
*And I lost all signal when I lifted up*  
rem SOL  
*Now I'm stuck out here and the world forgot*  
lam FA  
*Cause tonight I'm feeling like an astronaut*  
rem SOL  
*Sending SOS from this tiny box*  
lam FA  
*To the lonely people that the world forgot*  
rem SOL  
*Are you out there? Cause you're all I've got!*  
lam FA rem SOL  
*Can I please come down,*  
lam FA rem SOL  
*cause I'm tired of drifting round and round (round)*  
lam / SOL /  
*Can I please come down? [x2]*

[END WITH]

lam SOL FA  
Can I please come down?
